Description

An excellent investment opportunity has become available in the heart of Fratton. This four-bedroom house, offered with no onward chain, benefits from a five-year HMO licence signed off in March 2025. The property features one communal reception room, kitchen and bathroom. Perfectly located being close to local transport links, including Fratton train station, while also providing easy access to the University of Portsmouth.

Although in need of modernisation, the house presents a fantastic project for investors and offers strong potential for rental income.
