Description

Having undergone a significant course of modernisation and improvement, this impressive family home is ready for its next owner to simply move in, unpack and enjoy. Thoughtfully upgraded throughout to include rewiring and a central heating system and with a stylish and contemporary finish, the property offers spacious accommodation in a highly popular residential location, ideal for the growing family.

The property is approached via a front garden with a driveway running alongside, providing off street parking and leading to the garage. The garage benefits from an up and over door, power and lighting, whilst also having been adapted to incorporate a useful utility area with both a window and courtesy door to the rear.

Upon entering the home, a welcoming porch provides the perfect space for coats and shoes before leading through to the entrance hall with stairs to the first floor. The bay fronted living room is generous in size and creates an excellent family living space, flowing through to the recently fitted modern kitchen which has been designed with both practicality and style in mind. Features include an integral hob with oven beneath and extractor hood over, integral fridge freezer, dishwasher and an open plan layout to the dining area, ideal for entertaining and everyday family life alike. French doors from the dining area open into the conservatory which enjoys pleasant views across the rear garden and further enhances the ground floor living space.

To the first floor the property continues to impress with three well proportioned bedrooms and a contemporary family bathroom fitted with a modern three piece suite incorporating a shower over the bath with glass screen.

Externally, the rear garden offers a high degree of privacy and has been designed to be enjoyed, featuring decking and ample space for outdoor seating and entertaining.

Modernised throughout and offered to the market with No Onward Chain, this is a fantastic opportunity to acquire a stylish home in a sought after area. Early viewing is strongly advised. Contact the Norton team today to arrange your appointment.
