Description

This impressive one-bedroom, one-bathroom apartment offers a striking blend of industrial character and contemporary design. The open-plan reception room features exposed brick walls, robust wooden beams, and high ceilings, creating a spacious and inviting atmosphere. Natural light floods the living area through large windows, highlighting the high-quality wooden flooring and modern glass balustrades.

This apartment on the east side, second floor of Ledgard Wharf occupies a highly coveted position in the building, giving vibrant, direct morning sunlight whilst avoiding full sun exposure during summer afternoons. The second-floor elevation strikes the perfect balance, offering peaceful, unobstructed views across the river to Hopton Woods and the rolling West Yorkshire countryside. It provides a tranquil, therapeutic backdrop that makes you forget you are just a short walk from the town centre. The sleek, modern kitchen is fitted with integrated appliances, stylish black units, and stainless steel accents, complemented by exposed brickwork and ample built-in shelving with ladder access. The mezzanine level, enhanced by a glass railing and exposed beams, provides versatile additional living or office space, adding to the apartment's unique appeal.

The modern bathroom is finished to a high standard, boasting elegant tiling, a wall-mounted sink, a large mirror, and a heated towel rail for added comfort.

Heating costs are very low, helped by the morning sun exposure, large windows and the wholesale utility rates, with market beating daily standing charges and unit rates.

Residents benefit from ample off-road parking and secure entry through an impressive arched glass doorway set in classic period stonework. There is a secure, internal bike storage area. The property also features stunning communal area walk way and a lift to all floors. With its combination of period charm, modern amenities, and industrial style, this apartment is an exceptional opportunity for those seeking a distinctive, comfortable, and convenient home.

An on-site gym is provided exclusively for the benefit of tenants and apartment owners. The gym is maintained through the service charge, so there are no extra fees to pay to use it.

Perfectly located within the heart of Mirfield and within walking distance of the recently modernised train station with direct connections to Leeds, Manchester, Wakefield, Huddersfield and London Kings Cross, major bus stops, CAMRA award winning pubs and well regarded eateries, this home is a perfect lock up and leave for downsizers wanting to maintain a wonderful property, or for an investment as this would rent out at £750pcm.
